Defender of this heart
You loved me from the start
You never change

Through the highs and lows
As seasons come and go
You never fail

Day after day
Your love will remain
Faithful and true
You are good

[Chorus:]

You are God with us
You're victorious
You are strong and mighty to save
For Your word stands true
There is none like You
And when all else fades
You remain

When troubles come my way

You guide and You sustain
Lead me, I pray

Forever You will be
The great eternal King
Now and always

Day after day
Your love will remain
Faithful and true
You are good, you are good

[Chorus]

When all else fades
You remain

[Chorus 3x]

You remain

Cause' day after day

You never change

Day after day

You are the same

Day after day

You remain
