

Starfield "Revolution"

Visit "[Revolution](#)" on MotoLyrics.com

If I'm here all alone
If I'm left behind
If they spit in my face
If they hate my kind

I will rise above, I will live for love
I will answer to the call
For the bond between, for the depth unseen
For my God forsake it all

'Cause I'm a fire, I'm a flood
I'm a revolution
I am a war already won
I'm a revolution

When the world is at war
When the grace is gone
When the hungry lay dead
While the rich live on

I will rise above, I will live for love
I will answer to the call
For the bond between, for the depth unseen
For my God forsake it all

'Cause I'm a fire, I'm a flood
I'm a revolution
I am a war already won
I'm a revolution

I'm a fire, I'm a flood
I'm a revolution
I am a war already won
I'm a revolution

Open hands
Waiting for You
I won't back down
I'll live to speak Your truth

Here I stand open hands
Waiting for You

I won't back down
I'll live to speak Your truth, Your truth

'Cause I'm a fire, I'm a flood
I'm a revolution
I am a war already won
I'm a revolution

I'm a fire, I'm a flood
I'm a revolution
I am a war already won
I'm a revolution, yeah yeah yeah

Revolution, revolution revolution
I'm a fire, [incomprehensible]
And I won't go down without a fight, yeah
