I'm not a BackStreet Boy or Nsync,
I'm not a Jonas Brother but I can sing,
and Girl, I gotta Thing For You.
BeyoncÃ©, Britney, Rhianna, Whitney,
in my dreams they wanna get with me,
but Girl, I gotta Thing For You.

I'm just one guy in this big ole world,
and I'm trying to get'cha to be my girl.
I won't ever give up on us,
to have a relationship built on love and trust.

I'm not a BackStreet Boy or Nsync,
I'm not a Jonas Brother but I can sing,
and Girl, I gotta Thing For You.
BeyoncÃ©, Britney, Rhianna, Whitney,
in my dreams they wanna get with me,
but Girl, I gotta Thing For You.

Tell me, how can I help you make up your mind,
Are you looking for a sign from above,
I know your confused like snowflakes in the springtime,
I guess that's what they call love.

I don't have a fancy car, or diamonds and pearls,
but girl if I could,
I would give you the world
I'm not a super model or all that crazy stuff,
I just have my love to give
and I hope its enough.

I'm not a BackStreet Boy or Nsync,
I'm not a Jonas Brother but I can sing,
and Girl, I gotta Thing For You.
BeyoncÃ©, Britney, Rhianna, Whitney,
in my dreams they wanna get with me,
but Girl, I gotta Thing For You.

Tell me, how can I help you make up your mind,
Are you looking for a sign from above,
I know your confused like snowflakes in the springtime,

I guess that's what they call love.
