Don't let your mind deny
What your heart believes
Leave your inhibitions
Let your soul be free

This is why you were created
It's your destiny
It's alright
It's alright
It's alright

Who the Son sets free
Yeah, they are free indeed
So let go with me
C'mon and sing what you believe

We're gonna shout His praise at the top of our lungs
We're gonna dance for the glory of the risen Son
We're not ashamed, not ashamed of the One we love
We're gonna shout His praise at the top of our lungs

This is the praise of a people
That have been redeemed
This is the joy of the Lord
And the sound of the free

This is why we were created
It's our destiny
It's alright
It's alright
It's alright

Who the Son sets free
Yeah, they are free indeed
So let go with me
C'mon and sing what you believe

We're gonna shout His praise at the top of our lungs
We're gonna dance for the glory of the risen Son
We're not ashamed, not ashamed of the One we love
We're gonna shout His praise at the top of our lungs

We're gonna shout His praise at the top of our lungs
We're gonna dance for the glory of the risen Son
We're not ashamed, not ashamed of the One we love
We're gonna shout His praise...
At the top of our lungs!

We're gonna shout His praise at the top of our lungs
We're gonna dance for the glory of the risen Son
We're not ashamed, not ashamed of the One we love
We're gonna shout His praise at the top of our lungs
