Too strong

The way my heart beats
I don't think it dreams
Something 'bout a love it's always yearned for
Feels like I've been there
Thinkin' 'bout it all before

In the morning
You graze the tips of your love on me
So amazing
My body just can't keep

To the beat of my heart
To the rhythm of the start
To the time of love
We'll be dancing in the dark
Swaying to our favorite song
Tangled in the pools of love

'Cuz I can't make my love for you bloom
If you're not in the room
But I don't think I can do this with you
If you make your move too soon
We'll be dancing in the dark
Sawying to our favorite song
Tangled in the pools of love
To the beat of my heart
To the rhythm of the start
To the time of love

My idea of love
You caught me all up
Thinkin' what I'm gonna do with you
And I made up my mind
Thinking that this time
I'll be true for once
To me and you

In the twilight
One of a kind

Iâ€™m gonna let you
In the depths of
The secrets of my mind
Tell me what you find

To the beat of my heart
To the rhythm of the start
To the time of love
Weâ€™ll be dancing in the dark
Swaying to our favorite song
Tangled in the pools of love

Cuz I canâ€™t make my love for you bloom
If youâ€™re not in the room
But I donâ€™t think I can do this with you
If you make your move too soon

Weâ€™ll be dancing in the dark
Swaying to our favorite song
Tangled in the pools of love
To the beat of my heart
To the rhythm of the start
To the time of love
Time of love
