When you've taken all
I know
When you've faked it all
I know it

And I'm going to
Your arms
And while he's away
You're here to stay

You're the best thing easily
You're the best thing easily
You're the best thing easily
You're the best thing easily

When you've taken all
I know
When you've faked it all
I know it

And I'm going to
Your arms
And while he's away
You're here to stay

You're the best thing easily
You're the best thing easily
You're the best thing easily
You're the best thing easily
