Get me back on Easy Street  
Where there's easy ???  
With no troubles at all  
No desperate calls

There's a new life that leaves our miseries far behind  
where they follow  
Destiny lives to leave uneasy dreams far behind where  
they follow

Long distance dreams of me  
Of a love with easy needs  
With no troubles at all  
No desperate calls

There's a new life that leaves our miseries far behind  
where they follow  
Destiny lives to leave uneasy dreams far behind where  
they follow

There's a new life that leaves our miseries far behind  
where they follow  
Destiny lives to leave uneasy dreams far behind where  
they follow  
On Easy Street  
On Easy Street  
On Easy Street  
On Easy Street
