"E.P. Nights"

Visit "[E.P. Nights](#)" on MotoLyrics.com

We go back and forth
Just looking for a life line
Nothing more than hours
Just waiting for a phone call

These are the nights
When nothing's gonna break me more
Just please come soon
This afternoon

All we want is our own
To be here for a life time
But you can't expect the whole world

These are the nights
When nothing's gonna break me more
Jesus, please come soon
This afternoon

These are the nights
When nothing's gonna break me more
Jesus, please come soon
This afternoon
