Pictures on a doorstep and no lack of hesitation
Need a drummer, cause I've got imagination
You know we're going places I don't wanna go
Just stand off, I'll stack your face and pretend you look
good

We don't wanna play because we've tracked an
education
Lead us when you see we've got the motivation
You know we're going places I don't wanna go
Just stand off, I'll stack your face and pretend you look
good

You know we're going places I don't wanna go
Just stand off, I'll stack your face and pretend you look
good

You know we're going places I don't wanna go
Just stand off, I'll stack your face and pretend you look
good
You know we're going places I don't wanna go
Just stand off, I'll stack your face and pretend you look
good
