one date you'll find it's here
would you recognize
feeling
feeling like i do

goodbyes are sad
you're the best that i wish i had
to wait a million more
goodbyes are sad
you're the best that i wish i had
to wait a million more

three days enough to heal

three days' enough
taking your healing like i do
like i do

goodbyes are sad
you're the best that i wish i had
to wait a million more
goodbyes are sad
you're the best that i wish i had
to wait a million more
