Happy birthday John
Where has your sweetheart gone
She left you day with one week's pay and a boy she
calls your son
Let's not wait for your invitation, pour yourself a drink
And think
About what happened
Happy birthday John
The warning lights were on
But you were far too gone
To notice what went wrong
Let's not wait for your invitation, pour yourself a drink

And think
About what happened

Happy birthday John
Where has your sweetheart gone
The warning signs were on
Well happy birthday John
Let's not wait for your invitation, pour yourself a drink
And think
About what happened

Let's not wait for your invitation, well pour yourself a
drink
And think
About what happened
