the light's on  
a last song  
you know i'm going to leave her  
i've never been a needer  
the light's on  
it's all wrong  
you know that i believe her  
she's always been a needer

it's a nice try  
you'll never get your loved one back

the strong  
they're wrong  
always a believer  
i've never been a needer  
the light's on  
a last song  
you know i'm going to leave her  
i've always been a cheater

it's a nice try  
you'll never get your loved one back
