Through the speakers and through my walls  
My sounds will travel in spite of it all  
And to the bunkers of my fake brick walls  
Pray, sister Mary, I can keep my control

For once or maybe twice, I was in my prime

The best are made from these  
That's what I say to put my mind at ease  
The saddest songs were wrote in minor keys  
Like Johnny Marr, I want my peace, please, please

Cancel the meetings, blacklist them all  
My sounds will travel in spite of it all  
This is my mission, this is my call  
Pray, sister Mary, I can keep my control

For once or maybe twice, I was in my prime

The best are made from these  
That's what I say to put my mind at ease  
The saddest songs were wrote in minor keys  
Like Johnny Marr, I want my peace, please, please
