Sometimes I tell myself  
I should have walked when they all started leaving  
Sometimes I tell myself  
Not all the time but most of the time

Sometimes in a box  
Who to trust, I'm uncertain of  
Many things, everything  
Not all the time but most of the time

Late walks make my mind overwork so  
Fifteen has never been the cure of  
A broken back, a broken neck  
A broken heart, a broken dream

Sometimes I tell myself  
I need to go, go anywhere  
Where? Man, I don't care  
I need a taxi to take me there

Late walks make my mind overwork so  
Fifteen has never been the cure of  
A broken back, a broken neck  
A broken heart

Late walks make my mind overwork so  
Fifteen has never been the cure of  
A broken back, a broken neck  
A broken heart

Late walks make my mind overwork so  
Fifteen has never been the cure of  
A broken back, a broken neck  
A broken heart, a broken dream
