The light's on
A last song
You know I'm gonna leave her
I've never been a needer

The light's on
It's all wrong
You know that I believe her
She's always been a leader

It's a nice try
You'll never get your loved one back

It's a nice try
You'll never get your loved one back

The strong
They're wrong
Always a believer
I've never been a needer

The light's on
A last song
You know I'm gonna leave her
I've always been a cheater

It's a nice try
You'll never get your loved one back

It's a nice try
You'll never get your loved one back

It's a nice try
You'll never get your loved one back
