I left you two alone
With nothing really wrong
But you messed up the party

I never did you wrong
You keep on wasting holidays
I guess I could be wrong
I never wasted holidays

A friend like you is all I need
I want to know
You messed up the party

I never did you wrong
You keep on wasting holidays
I guess I could be wrong
I never wasted holidays

I want to know
I want to know
I want to know
I want to know
I want to know
