Burned out
I'd wish you know
For days, I've thought of you so
Burned out in style
I wish you wouldn't go
Behind the old house
And wait and wait and wait

Hope for now
This is the last stop
Just take me for a ride
Come now
Come for the last drop
Just take me for a ride

It's always you...

Burned out
I'd wish you know
For days, I've thought of you so
Burned out in style
I wish you wouldn't go
Behind the old house
And wait and wait and wait

Hope for now
This is the last drop
Just take me for a ride
Come now
Come for the last stop
Just take me for a ride

It's always you...
