We're ordinary people
Close but not the worst
But I think you know
Were all the lonely people
Alone but not at first?
But I think you know

The older living people
Who've been through even worse
But I think you know
Just like the other people
Alone but not at first

But I think you know

Sometimes we don't have a life

We're ordinary people
Close but not the worst
But I think you know
Were all the lonely people
Alone but not at first?
But I think you know

Sometimes we don't have a life
