"When You Feel The Mess"

Visit "[When You Feel The Mess](#)" on MotoLyrics.com

when the worst
takes its head
when you feel
the mess

you don't know me well enough this way
it's easy when you know
you don't know me well enough this way
easy when you know
easy when you know
easy when you know

you can make
the most
when you fake
it some

you don't know me well enough this way
it's easy when you know
you don't know me well enough this way
easy when you know
easy when you know
easy when you know
