The sun comes up, I think about you
The coffee cup, I think about you
I want you so, its like I'm losing my mind

The morning ends, I think about you
I talk to friends, and think about you
and do they know?
Its like I'm losing my mind?

All afternoon doing every little chore
The thought of you stays bright
Sometimes I stand in the middle of the floor
Not going left, not going right

I dim the lights and think about you
Spend sleepless nights to think about you
You said you loved me, or where you just being kind?
Or am I losing my mind?
