"Blue Light"

There's a blue light, In my best friend's room
There's a blue light, In his eyes
There's a blue light, yeah,
I want to see it, shine

There's a ship, that sails by my window
There's a ship that sails on by,
There's a world under it
I think I see it,
Sailing away

I think it's sailing,
Miles crashing me by
Crashing me by,
Crashing me by

There's a world ,
Outside my doorstep
Flames over, everyone's heart
Don't you see them shining,
I want to hear them
Beating for me

I think I hear them
Waves crashing me by,
Crashing me by,
Crashing me by
