Eyes are gouged, I cannot see
The mouth that's chewing chunks of me
Been ripped apart from ass to head
Fed on by the undead
Your lips are colored red with gore
I'm bleeding out across the floor
I'm gonna die, I won't survive
But I'll be back alive

He preach-ed and bleed-ed
Brain feed-ed's what the bible says

Dismembered me with no memory
Life, it just ain't quite the same
When you are feasting on my...

Blood is draining down my back
My head's an embryonic sac
The cord stranglin's umbilical
From sliced up guts you pulled
All of the ribs above my heart
You chewed with teeth to tear-apart
The love is all gone from your eyes
Your christ was hypnotized

He preach-ed and bleed-ed
Brain feed-ed's what the bible says

Dismembered me with no memory
Life, it just ain't quite the same
When you are feasting on my brain
You've gone insane
Now there's no pain
All that's left is afterbirth
Together, we must roam the earth
