Rage awakening deep inside of me
Making me aware
To set my feelings free
What used to be concealed is now brought up
Visibly taking over me
When I see what you are doing
Something's growing frightening me
I can't hold it for much longer
Stop your actions immediately

Step aside
Do your best to make up to what you have done
Then I'll be sending your petition for mercy
Spare me my anger and maybe I will find a way
To forgive you for proving such disrespect
I have seen it for a long time
I've been indulgent with my eyes shut
I can't hold this for much longer
I have tired of this proven fact

Step aside
Do your best to make up to what you have done
Then I'll be sending your petition for mercy
Spare me my anger and maybe I will find a way
To forgive you for proving such disrespect
I have seen it for a long time
I've been indulgent with my eyes shut
I can't hold this for much longer
I have tired of this proven fact
