Sometimes I feel like crying
Laying down and dying
That's when I need you
Laughing's always easy, but sometimes I'm just scared
you'll leave me
That's when I feel emotional
fade

You say I'm just impossible
Totally unpredictable
I'm just a girl get use to it
No big deal
You can't change me why would you try?
I'm no angel but I can make you smile
And that's the way it is
That's just the way I am

Sometimes I feel like crying
Laying down and dying
That's when I need you
Laughing's always easy but, sometimes I'm just scared
you'll leave me
That's when I feel emotional

Don't give up
I won't hurt you
Oh, sometimes I'm just a pain
And that's the way it is
That's just the way I am

That's when I need you
Laughing's always easy but, sometimes I'm just scared
you'll leave me
That's when I feel oh yeah
That's when I need you
Sometimes I get emotional
fade

That's just the way I am
Sometimes I feel like crying
Laying down and dying

That's when I need you
Laughing's always easy but sometimes I'm just scared
you'll leave me
That's when I feel emotional
