Don't they know that I'm a hip hop queen
A rock and roll dream
It's all bling bling
Yeah baby ka-ching
Come check me out
I'm bringin down the house
I'm the one that you want and now I'm heaven sent
I'm a little Lynrd Skynrd
Just a little 50 Cent
Just look at me
I've got everything
fade

Get into the car
Turn the radio up real far
Shut out the noise
So I can hear my voice
There's a party on down the street
And nobody invited, me cause I got a gig
Baby sittin' my uncle's kids
Why me?
Woe is me

Don't they know that I'm a hip hop queen
A rock and roll dream
It's all bling bling
Yeah baby ka-ching
Come check me out
I'm bringin down the house
I'm the one that you want and now I'm heaven sent
I'm a little Lynrd Skynrd
Just a little 50 Cent
Just look at me
I've got everything

But then I woke up
I woke up
I woke up
I woke up
Then I woke up
I woke up

Come look at me
I've got everything
fade

Don't they know that I'm a hip hop queen
A rock and roll dream
It's all bling bling
Yeah baby ka-ching
Come check me out
I'm bringin down the house
I'm the one that you want and now I'm heaven sent
I'm a little Lynrd Skynrd
Just a little 50 Cent
Just look at me
I've got everything
fade
