Don't tell me you want me
'cause you don't - today.
I woke up this morning knowing that - I changed.
That look in your eyes
What a surprise to hear that you felt the same.
I want to tell you what I mean
When I have you I feel, yeah, empty inside
It's not what I thought
It's like I've been caught between the dream of you
and the reality of me.

I want to tell you about me
You're ready to show me where this all can go.
But now that I've got you I'm not in control
Cause I can figure this out.
I'm so full of doubt.
I just wanna to turn and run away.

I want to tell you what I mean
When I have you I feel, yeah, empty inside
It's not what I thought
It's like I've been caught between the dream of you
and the reality of me.

I'm getting over that we were once meant to be
Cause when I see you I know it's like I just freeze
There's something about you that makes me weak

I want you till you want me
When I have you I feel empty inside
It's not what I thought
It's like I've been caught between the dream of you
and the reality of me.

It's not what I thought
It's like I've been caught between the dream of you
and the reality of me.

Don't tell me you want me
'cause you don't - today.
