"American Tune"

Visit "[American Tune](#)" on MotoLyrics.com

Many's the time I've been mistaken,
And many times confused
Yes and I've often felt forsaken,
And certainly misused
But I'm all right, I'm all right,
I'm just weary to my bones
Still (still) you don't expect to be bright and bon vivant
So far away from home
So far away from home

I don't know a soul who's not been battered
I don't have a friend who feels at ease
I don't know a dream that's not been shattered
Or driven to its knees
But it's all right, it's all right
We've lived so well so long
Still (still) when I think of the road we're traveling on
I wonder what's gone wrong
(I can't help it) I wonder what's gone wrong

And I dreamed I was dying
I dreamed that my soul rose unexpectedly
And looking back down at me,
Smiled reassuringly

And I dreamed I was flying
And high up above my eyes could clearly see
The Statue of Liberty
Sailing away to sea

And I dreamed I was flying

We come on a ship they call the Mayflower
We come on a ship that sailed the Moon
We come in the age's most uncertain hour
And sing an American tune

But it's all right, it's all right (it's all right)
We can't be forever blessed
Still tomorrow's going to be another working day
And I'm trying to get some rest

(That's all) I'm trying to get some rest
