V1DWe talked on the train. It was love at first sight. It felt like a breeze was blowing my mind. You held my hand so tight. It felt like it was right. You took over my heart. You protected me. I promise Ill find you one day. I thought love gonna give up on me. But now Im not so sure.

R Are you him? Cause Im her. Ill look for you forever. You are the one. Im sure. Once I find you Ill hold on forever.

V2CWhen find I you, we will be together I can promise you that. So come on boy call me right now. I cant live a moment with out you. Now that you are gone I feel lost. Its driving me crazy. Its blowing my mind. So just let us be together! Im asking every boy I see
