Yeah, yeah
Turn us up
Yeah, uh-uh, yeah
Bring that beat
Yeah, that's it, c'mon

Y'all ready?
Let's go

[Chorus]
Fame, what does it mean?
I don't know
Why do people wanna be famous?
Well, some for the music and the fun
Others just for the money and the girls
Fame, what the fuck does it mean?
Well, I still don't know~!.

[Verse 1]
Fame, what the fuck does it mean
Nobody knows, nobody cares
As long you can
Make some mean cash
It's kinda hard being Stif-l-e-r
But I can make it through
Ad if our album flops
We don't stop
'till we get to the top
'Cause the Starlight Dragons
keep it real to the end
We're a band
With style and class
And if ya don't like us
You can kiss our ass
This group is like family
L double E, Stifler
Sonny B and Nelly G
Ya don't want trouble
With tha Starlight couple
We pound ya to tha ground
With our beat and sound
Even when we die

Fame's all over the place
So don't waste our time
And let's get high
Well, fuck it we're goin' for the top 10
Maybe ya think we suck
But really we
Don't give a fuck
One day we're all gon' die
But when I die I'll be so high
And when we die
We're rappin' like a mummy
Yeah, yeah Uh-uh, yeah

[Chorus 2x]

Fame, what does it mean?
I don't know
Why do people wanna be famous?
Well, some for the music and the fun
Others just for the money and the girls
Fame, what the fuck does it mean?
Well, I still don't know

[Verse 2]

Hey, yo I'm tired of people
judging black people
We're all the same
You and Me
That's how it should be
No more racism and other shit
Just a little bit
Of this will be enough
I'm from the westcoast and I'm proud
Then we all shout:
What the fuck is going on
With this word today
With these rappers today
Slate and hate's the way
So many rappers
Rappin' over cars and money
Well ain't that funny?
The Dragons only rap about life
Ya better watch yo back
Before somebody stabs ya back
Watcha gonna do
When it comes to you?
There's no way to escape
The demons you're forced to gain
So watch ya back, kid
There's one rule in fame:
Fuck the game
Before the game fucks you

And that's the shit
We've been talking about
This whole rhyme
But there's more
So keep listening
Uh-uh Yeah, Yeah

[Chorus 2x]
Fame, what does it mean?
I don't know
Why do people wanna be famous?
Well, some for the music and the fun
Others just for the money and the girls
Fame, what the fuck does it mean?
Well, I still don't know

[Verse 3]
If ya hate us
We gon' hate ya too
Wanna know what we gon' do?
We don't care bout fame
As long we win this came
We ain't gon' stop
'till we rock this place
Fame's just a race
Rappers want to go to the top
And they don't care bout pop
Dr. Dre and Snoop Do double G
That's how we wanna be
They're the best
They don't rest
Till they're the best
That's how the Dragons wanna be
Can't ya see?
We're not that big yet
But when we're set
Y'all wanna be us
Can ya see us?
Look good now
'Cause the next time you'll bow
Y'all laugh now
But when I made it
Y'all gon' say
I know that kid
Ya don't know me now
And ya ain't gon' now me then
That's just the deal, man
What do ya think of this rhyme?
Tell me in time

[Chorus 2x]

Fame, what does it mean?
I don't know
Why do people wanna be famous?
Well, some for the music and the fun
Others just for the money and the girls
Fame, what the fuck does it mean?
Well, I still don't know~!~!

Starlight

Dragons

Yeah, c'mon 1 more time

[Chorus]
Fame, what does it mean?
I don't know
Why do people wanna be famous?
Well, some for the music and the fun
Others just for the money and the girls
Fame, what the fuck does it mean?
Well, I still don't know~!~!
Well, I still don't know~!~!
Well, I still don't know~!~!
Well, I still don't know~!~!
