Sometimes,  
Things just seem to fall apart  
When you least expect them to

Sometimes,  
You want to pack up and leave behind  
All of them and all their smiles

[Chorus]  
I don't know  
What to think any more  
Maybe things will get better  
Maybe things will look brighter  
Maybe, maybe, maybe

Sometimes,  
People surprise you  
And people surprise me

But I guess that's the price we pay  
For wanting, so badly

I don't know  
What to think any more  
Maybe things will get better  
Maybe things will look brighter  
Maybe, maybe, maybe

[Solo]

I don't know  
What to think any more  
Maybe things will get better  
Maybe things will look brighter  
Maybe, maybe, maybe

I don't know  
What to think any more  
Maybe things will get better  
Maybe things will look brighter  
Maybe, maybe, maybe

Sometimes... Sometimes... Sometimes...
