All my life, I never felt right til I saw you there
(and they were spinning Sweet Caroline)
You kissed my face and forgot my name, but it's alright
You can call me what you like

I know I know I know it's all a game
The pushing, the pulling, I feel so strange, but
I know I know I know your lovely face
Ain't nobody ever gonna push you away, but
What you got to say?

Hey Hey Hey Hey

All My Life I've waited for tonight
Just to feel your fingers slipping between mine

You don't know the hands my heart's been through
And I don't know the hearts that you've held too
But the less I know About you,
The more perfect you seem to me

I know I know I know it's all a game
The pushing, the pulling, I feel so strange, well
I know I know I know it's getting late
Ain't never gonna ever let you slip away
So I gotta think of something to say

Hey Hey Hey Hey

All My Life I've waited for tonight
Just to feel you falling by 1:45
I wanna call it love, it's close enough
And I can't tell you why
But All My Life I've waited for tonight

You don't know the hands my heart's been through
And I don't know the hearts that you've held too
but the less I know about you,
The more perfect you seem to me

All My Life I've waited for tonight

So if you want me ya gotta tell me it's alright
I wanna call it love, it's close enough
And I can't tell you why
All My Life I've waited for tonight
Waited for tonight!
