Waitin for the pills to kick in
Rollin around in my skin
I can't sleep, if I could sleep this all could end
Waitin for the pills to kick in
I got a whole mess of new friends
Well I can count 'em up, but I can't count on them

But if you just look at me,
Oh you'd like what you see.
And if you're listening,
Oh you'd like what I said.
This won't matter when
The pills are kickin in
I'm done, I'm done, I'm done I'm done I'm done.

Waitin for the pills to kick in
I wonder if I'll see her again
She wasn't smart or nice, but she was soft and thin.
Waitin for the pills to kick in
I got no faith in heaven
Well I'd be outta here pretty darn quick now if I did.

But if you just look at me,
Oh you'd like what you see.
And if you're listening,
Oh you'd like what I said.
But this won't matter when
The pills are kickin in
I'm done, I'm done, I'm done I'm done I'm done.

And everybody just waits for their turn to talk
Yeah, yeah, yeah, yeah
And everybody's just waitin to hear a song about how
they look
Duh, shake it off
Na na na na, na na na
Na na na na na na na
Na na na na, na na na
Na na na na na na na
Na na na na, na na na
Na na na na na na na

Na na na na, na na na
Na na na, na na na
Na na na na, na na na
Na na na, na na na

Waitin for the pills to kick in
Rollin around in my skin
I can't sleep, if I could sleep this all would end
