Well I never felt green
Even when the springtime hit the leaves
And I never felt red
Even with the blood rushing up into my head
And I never felt gold
Even when my pockets were feeling full
With all that spinning around me,
It's funny, I never felt a thing
So with the sky all blue,
Why oh why do I feel blue too?
La da da, la da da da da da
La da da da, la da da

Well I never felt yellow
Even when the sun lay down into the meadow
And I never felt gray
Even on a rainy day
And I never felt pink
Oh no no no no I don't think
With all that spinning around me,
It's funny, I never felt a thing
So with the sky all blue,
Why oh why do I feel blue too?
La da da, la da da da da da
La da da da, la da da
So with the sky all blue,
Why oh why do I feel blue too?
