Traveled in,  
I'm heading out  
Strenching hearts,  
Strenching house,  
With boomerrangs between her toes,  
She knocks them down like dominos,

I got it all,  
I got it all,  
I got it all from you,  
Black cat detector,  
I got it all,  
I got it all,  
I got it all from you,

Switchblade stuck in the moon,  
Is that the little girl inside of you,  
Vroom zoom how could I lose,  
A superstitious girl like you,

I can't fight the pressure,  
My luck's so bad I need,  
A black cat detector,

She told me once to touch a ghost,  
She's an angel in the snow,  
She crawled around on her tippy toes,  
I think this how the story grows,

I got it all,  
I got it all,  
I got it all from you,  
Black cat detector,  
I got it all,  
I got it all,  
I got it all from you,

Smooth sayers,  
What do you see?  
Is there a better man inside of me,  
Clean shirt, New shoes,

Is that alittle tail on you (You You You),

I can't I fight the pressure,  
My luck has gone to black cat detector,  
Black cat detector,  
Black cat detector,  
Black cat detector,
