Aghhhh-ahhhhhhhh

Woo-hoo-hoo-hoo (hoo-ee-hoo, hoo-ee-hoo) {repeat x
6}

Who's cooking monsters in the kitchen?
Who keeps a knife tucked in her garter?
Who keeps you nervous like screaming motorcycles?

You keep the fire burning,
I'll keep the water running,
We'll know it's over when they turn out the lights

Whos high strung thinking about it
Couldn't put the pieces together like they belong to one
another
Yeah you & me girl

Who dials that son
And makes good girls go wrong
The eyes of the night

Spiralling arrows at my coffin
Is that you (hoo-hoo-hoo, hoo-ee-hoo, hoo-ee-hoo)
(the night) Whose slippery fingers found a way

You keep the fire burning,
I'll keep the water running,
We'll know it's over when they turn out the lights
and they might...

Who dials that son
And makes good girls go wrong
The eyes of the night
Who holds the door
And lightning strikes us all
The eyes of the night

nobody told me 'bout the eyes... (eyes of the night)
nobody told me 'bout the eyes of the night

Woo-hoo-hoo-hoo (hoo-ee-hoo, hoo-ee-hoo)

hoo-hoo hoo-hoo
