Long haired Holly,
She comes dancin'
Eyes on chancin
I know her kind

Ribbons of scarlet
I've seen 'em entanglin'
And wrappin around
A poor boys mind

Sunset woman
Nobody needs you
You're a worthless woman
An agin' overnight friend

Sunset woman
Nobody needs to
Be drowned
In your wishin well of sin

~Instrmental~

Rock 'n' Roll tavern
She's just like a fixture there
Looking to pull a stare
From the 5 o'clock crowd

Findin no takers
For yesterdays papers
She leaves,
And takes the back door out

Sunset woman
Nobody needs you.
You're a worthless woman.
You're just an aging overnight friend.

Sunset woman
Nobody needs to
Be drowned
In your wishing well of sin

~Instrumental~

Ah, but Lord, those mistress eyes
