If-if you are listening to the new Z-Trip album on Hollywood Records, we're here, we're being silly, we got Supernatural, Z-Trip, I'm Murs and I like to have a good time and on Saturday mornings I used to like to get a big, fat bowl of cereal and watch cartoons, motherfucker, and if that-- if you can't relate to this song you're taking this shit too serious. It's hip-hop, man, it's-it's fuckin' fun.

Ooh, I love eatin' cereal  
When I'm watchin' my cartoons  
Ooh, I love Fruity Pebbles  
When I'm watchin' my cartoons  
Ooh, I love Super Sugar Crisp  
When I'm watchin' my cartoons  
Ooh, I love Count Chocula  
When I'm watchin' my cartoons

Let's go  
Pour the milk in the bowl  
Make sugars ice cold  
Put my hand on the top  
So it don't overflow  
Forget playing outside  
With my friends from school  
It's Saturday morning, fool!  
But you know what ain't cool (what?)  
Wakin' up first  
'Cause all that be on the tube  
Is the Snorks and Smurfs  
(?), Strawberry Shortcake, the worst  
But comin' up next  
Was my boy, Johnny Quest  
Sim Sim Salabim  
But Fat Albert was the best  
The Brown Hornet Picture Pages  
Made me want to write graffiti  
I had to do it when  
Davey and Goliath couldn't see me  
Always tryin' to do right they'd be hangin' out with  
Dudley

But I watched Wacky Races  
Rootin' for my dog, Muttley.  
You know what really bugged me? (What?)  
Colbots was whack  
Man, they bit the Transformers  
And that's a well-known fact  
But...  
After these messages we'll be right back...

Ooh, I love eatin' cereal  
When I'm watchin' my cartoons  
Ooh, I love to eat Frosted Flakes  
When I'm watchin' my cartoons  
Ooh, I love to eat Alphabits  
When I'm watchin' my cartoons  
Ooh, I love King Vitamans  
When I'm watchin' my cartoons

I remember Teen Wolf tried to go vegetarian  
Told Thundar he was a sick barbarian  
For eatin' Tiger Sharks with his Ninja Turtle soup  
Because of that the Herculoids had to kick him out the  
group  
Yo, there used to be drama on the afterschool scene  
Tiny Toons started beefin' with Beverly Hills Team  
But the Get Along Gang would come through and make  
amends  
And by the end of the week, they were all Super Friends  
But GI Joe would get riled up again  
Guns out, lookin' for weapons of mass destruction  
Harassin' SilverHawks for little or nothing  
Of course, the Care Bears wouldn't have the heart to do  
somethin'  
I called Motron and his Inhumanoids  
The Superions wouldn't let the Jols be destroyed  
No, even in Cartoons Americana can't be packed  
But at least we know now, and know it's half the battle

Ooh, I love to eat cereal  
When I'm watchin' my cartoons  
Ooh, I love to eat Honeycombs  
When I'm watchin' my cartoons  
Ooh, I love to eat Cookie Crisp  
When I'm watchin' my cartoons  
Ooh, I love to eat Fruit Loops  
When I'm watchin' my cartoons

Now, right before we go  
I think you got the right to know about Shira  
On the low  
She was a Thundercat ho

Or a go tryin' to cover up and say she got a man  
But he lied  
It was really one of Jem's Holograms  
After that, God knows she went around the back  
And found out Josie sellin' pussy to cats  
Chargin' three, two, one for a little contact  
Because Hong Kong Phooey had the illest pimp slap  
Her sweet Jabber Jaws went to the highest bid  
But what made it worse was she incorporated kids  
So, Marshall Bravestarr came through with Captain  
Power  
And vowed that She-Force would shut 'em down within  
the hour  
Until Chip 'N Dale and the Rescue Rangers  
Came through to save them hos with a mouse named  
Danger  
To make things stranger  
She still gets a ho(?)  
Let a ho be a ho  
And that's one to grow on

Ooh, I love eatin' cereal  
When I'm watchin' my cartoons  
Ooh, I love Crushed Berry  
When I'm watchin' my cartoons  
Ooh, I love Rice Krispies  
When I'm watchin' my cartoons  
Ooh, I love to eat Golden Grahams  
When I'm watchin' my cartoons  
Ooh, I love to eat Apple Jacks  
When I'm watchin' my cartoons  
Ooh, I love to eat Cheerios  
When I'm watchin' my cartoons  
Ooh, I love to eat Tricks  
When I'm watchin' my cartoons  
Ooh, I like Cap'n Crunch  
When I'm watchin' my cartoons

[laughter]  
And you know I can't live without my cereal  
[laughter]  
And you know I can't live without my cereal
