Be still
Be still and know
Be still and know that I am
Be still
Be still and know that I am God
[repeat /w ad-libs]

I hear your cry, I feel your pain
You're caught in a struggle,
Growing weary doing well
I want you to know that you're not alone
So drop your defenses
You don't have to do it by yourself
Be still
Be still and know that I am God

Be still
Be still and know
Be still and know that I am
Be still
Be still and know that I am God

I will sustain (yes I will)
I will strengthen
I will establish
In all the earth
Be still
Be still and know that I
I am Jehovah! (yes I am)
I am Omnipotent!
I am your Healer!
The Lamb of God!
I am Holy, I am Righteousness!
Messiah! Immanuel!

Be still, be still
Be still, be still
Be still, be still and know that I am God!
I am God!
