Lord I wanna touch Your heart  
No longer standing on the outside looking in  
Lord I wanna see Your smile  
And know it's there because I'm pleasing You  
Lord I wanna touch Your heart  
So tired of standing on the outside looking in  
Wanna be where You are  
Lord I wanna see Your smile  
And know it's there because I'm pleasing You

Deeper Lord  
To the place where it can just be me and You  
I want to get closer Lord  
Gonna find Your heart and lose myself in You  
Oh take me deeper Lord  
To the place where it can just be me and You  
Wanna be alone with You  
Oh oh oh  
I want to get closer Lord  
Gonna find Your heart then lose myself in You

Deeper Lord  
Closer Lord  
Deeper Lord  
Please draw  
Me closer to You  
Deeper Lord  
Closer Lord  
Deeper Lord  
Please draw  
Me closer

Deeper

Deeper Lord  
Closer Lord  
Deeper Lord  
Please draw  
Me closer to You

I wanna be where You are

Deeper Lord  
Closer Lord  
Deeper Lord  
Please draw  
Me closer

Deeper Lord  
Closer Lord  
Deeper Lord  
Please draw  
Me closer to You  
Deeper Lord  
Closer Lord  
Deeper Lord  
Please draw  
Me closer

Deeper Lord to the place where I can be alone with You  
Closer Lord  
Gonna find Your heart and lose myself in You  
I wanna be lost in You  
I wanna be lost in You

Deeper Lord to the place where it can be me and You  
Shut out the outside  
Closer Lord  
I wanna be closer  
Just wanna find Your heart then get lost in You

Deeper Lord  
Closer Lord  
Deeper Lord  
Please draw  
Me closer to You  
Deeper Lord  
Closer Lord  
Deeper Lord  
Please draw  
Me closer

This is my desire

Deeper Lord  
Closer Lord  
Deeper Lord  
Please draw  
Me closer to You  
Deeper Lord  
Closer Lord  
Deeper Lord

Please draw  
Me closer
