I will bless the Lord at all times  
His praise will always be in my mouth  
I will celebrate Him always  
When the sun comes up till the sun goes down  
I will bless the Lord at all times  
I will magnify and lift up a shout  
Through the good days, through the dark nights  
I will let His praise continually be in my mouth

When my heart is hurt and broken  
I've found a great reward  
For the doors of Heaven open  
When I make my boast in the Lord  
I just can't hide this passion  
Wanna tell somebody else  
Gonna shout it from the mountain  
You can taste this for yourself

I will bless the Lord at all times  
His praise will always be in my mouth  
I will celebrate Him always  
When the sun comes up till the sun goes down  
I will bless the Lord at all times  
I will magnify and lift up a shout  
Through the good days, through the dark nights  
I will let His praise continually be in my mouth

I will bless the Lord,  
Bless the Lord at all times!  
[repeat 4X /w ad-libs]

I will bless the Lord at all times  
His praise will always be in my mouth  
I will celebrate Him always  
When the sun comes up till the sun goes down  
I will bless the Lord at all times  
I will magnify and lift up a shout  
Through the good days, through the dark nights  
I will let His praise continually be...

I will bless the Lord,

Bless the Lord  
I will bless the Lord,  
Bless the Lord  
I will bless the Lord,  
Bless the Lord at all times!
