I've stood at the edge of the river
Where the water is shallow and safe
I can still keep my balance
And get out if they make any waves
See, I love to come to the river
Be refreshed from the sun and the heat
But just standing here's getting me nowhere
I keep hearing a call from the deep
So I think I'll go ahead and jump in
I surrender my body and soul
I'm losing my inhibitions
I've decided to give up control
If I sink, if I swim
I just want to get to Him

Jump in! Jump in! Jump in!
Jump in the river!
Jump in! Jump in! Jump in!
Jump in the river!
If I sink, if I swim
I just want to get to Him
Jump in! Jump in! Jump in!
Jump in the river!
Jump in! Jump in! Jump in!
Jump in the river!
Jump in! Jump in! Jump in!

So here I am on the path of least resistance
I'm not satisfied just sitting back,
Watching from a distance
No more playing games in the shallow water
Gonna have to go down deep
If you want to get to the Father
Deep calls to Deep, but you're gonna have to leap

Jump in! Jump in! Jump in!
Jump in the river!
Jump in! Jump in! Jump in!
Jump in the river!
Jump in! Jump in! Jump in!
Jump in the river!

Jump in! Jump in! Jump in!
Jump in the river!
Jump in!
