My heart belongs to You
My heart belongs to You
I'll never give myself to another
My heart belongs to You
My heart belongs to You

I used to give away my affection
Turning my eyes to the things of this world
Lost in my search for true satisfaction
Then You came into my world

My heart belongs to You
My heart belongs to You
I'll never give myself to another
My heart belongs to You
My heart belongs to You

Now that You've gained my deepest affection
Lord I'll never take my eyes off of You
Cause my heart is filled with anticipation
Of more and more of You

My heart belongs to You
My heart belongs to You
I'll never give myself to another
My heart belongs to You
My heart belongs to You
[repeat /w ad-libs]

Lord I love you...
