[Robert:]

Cries from the grave resound in my ears  
They hail from beyond my darkest fears  
Faces of the past are etched in my brain  
The women I raped, the men I've slain

[Robert and Floor:]

Shades of the dead are sliding on the wall  
Demons dance in the castle hall

[Damian:]

I call upon the sword, the mighty Excalibur  
Grant me the skill to fulfill my quest  
I call upon my king and the knights of the table round  
Grant me the courage to stand to this test

I call upon the seer, Merlin the sorcerer  
Grant me the magic to end my pain  
I call upon the spirit that lives in a noble heart  
grant me the passion that's within my veins

[Damian and Floor:]

Shades of the dead are sliding on the wall  
Demons dance in the castle hall

[Robert:]

They hail from beyond my darkest fears
