[Russell:]

At the birth of time, the beginning of beginnings  
One cosmic soul was created  
A bringer of life, a universal migrator  
Born to sow its seeds in all the galaxies

Like a cell dividing, it spreads in all directions  
Creating life among the stars  
I'm struck with awe as I join the great migrator  
Now it takes flight to the brightest star of all

[Russell:]

On a quest for life, through the sable skies  
What a show!

[Floor:]

What a show!

[Russell:]

Behold!

[Floor:]

Behold!

[Russell and Floor:]

The dawn of a million souls

[Russell:]

On a bold crusade, in the realm of shade  
What a show!

[Floor:]

What a show!

[Russell:]

Behold!

[Floor:]

Behold!

[Russell and Floor:]

The dawn of a million souls

[Russell:]

Through the glowing mist, like a fog of radiation  
I can see the forming of new planets  
I've been struck by thunder as I witness all the  
splendour  
And I realise how small we really are

[Russell:]

On a quest for life, through the sable skies  
What a show!

[Floor:]

What a show!

[Russell:]

Behold!

[Floor:]

Behold!

[Russell and Floor:]

The dawn of a million souls

[Russell:]

On a bold crusade, in the realm of shade  
What a show!

[Floor:]

What a show!

[Russell:]

Behold!

[Floor:]

Behold!

[Russell and Floor:]

The dawn of a million souls

[Russell:]

On a quest for life, through the sable skies  
What a show!

[Floor:]

What a show!

[Russell:]

Behold!

[Floor:]

Behold!

[Russell and Floor:]  
The dawn of a million souls

[Russell:]  
On a bold crusade, in the realm of shade  
What a show!

[Floor:]  
What a show!

[Russell:]  
Behold!

[Floor:]  
Behold!

[Russell and Floor:]  
The dawn of a million souls

[Russell:]  
Ooh, I can see forever  
On the wings of dreams I fly  
Is this real or is it just a fantasy?  
What awaits me now?
