[Dan Swanö:]

Lies - fictitious dreams - false illusions

[Russell Allen:]

Living life with nothing to gain

[Dan Swanö:]

Eyes - synthetic tears - hollow visions

[Russell Allen:]

Moments lost, like tears in the rain

[Dan Swanö:]

Life - a vacuous truth - a simulation

[Russell Allen:]

Watching dreams break down an decay

[Dan Swanö:]

Survive - a desperate hope - strange desires

[Russell Allen:]

Can't give up, there must be a way

[Floor Jansen:]

I think therefore I am

Am I more human than a man?

I think therefore I am

But will they ever understand?

[Dan Swanö:]

Pain - living in fear - no compassion

[Russell Allen:]

Facing death with nothing to lose

[Dan Swanö:]

Sustain - future-less world - cold deception

[Russell Allen:]

No way out, whatever we do

[Dan Swanö:]

Why? - meaningless words - empty promises

[Russell Allen:]

Is this real or this is a lie?

[Dan Swanö:]

Deny - darkening skies - twisted emotions

[Russell Allen:]

Will I dream, or will I just die?

[Damian Wilson:]

Four years slipped by too fast

Four years, without a past
And a future we'll never know
Four years is all we had
Four years, no second chance
There is nowhere left to go

[Dan Swanö:]

Four years slipped by too fast
Four years, without a past
And a future we'll never know
Four years is all we had
Four years, no second chance
There is nowhere left to go

[Russell Allen:]

Living a life with nothing left to gain
Moments are lost, like tears in the rain
Watching my dreams break down and decay
I can't give up, there must be a way
Facing death with nothing to lose
No way out, no matter what we try to do
Is this real or this is a lie?
Will I dream, or will I just die?

[Floor Jansen:]

I think therefore I am
Am I more human than a man?
I think therefore I am
But will they ever understand?

[Damian Wilson:]

Four years, we were almost there

[Russell Allen:]

Four years, no time to spare

[Floor Jansen:]

Four years, beyond repair

[Damian & Russell:]

Is it wrong? does anyone care?

[Damian Wilson:]

Four years of living in fear

[Russell Allen:]

Four years, death is near

[Floor Jansen:]

Four years disappeared

[Damian and Russell]:

Can't believe I all ends here

[All]:

Four years, we were almost there

Four years, no time to spare

Four years, beyond repair
Is it wrong? does anyone care?
Four years of living in fear
Four years, death is near
Four years disappeared
Can't believe I all ends here
