If I am lost for a day; try and find me  
But if I don't come back, then I won't look behind me  
All of the things that I thought were so easy  
Just got harder and harder each day  
December is the darkest and June is the light but this  
empty bedroom won't make anything right  
While out on the landing a friend I forgot to send home  
Who waits up for me all through the night  
Calendar girl whos in love with the world Stay alive  
Calendar Girl whos in love with the world Stay alive  
I dreamed I was dying; as I so often do  
And when I awoke I was sure it was true  
I ran to the window; threw my head to the sky

And said whoever is up there, please don't let me die  
But I can't live forever, I can't always breath  
One day I'll be sand on a beach by a sea  
The pages keep turning, I'll mark off each day with a  
cross  
And I'll laugh about all that we've lost  
Calendar Girl who is lost to the world  
Stay Alive  
Calendar Girl who is lost to the world Stay Alive  
January, February, March, April, May I'm alive  
June, July, August, September, October I'm alive  
November, December, yah all through the winter, I'm  
alive  
I'm alive
