It's been five years, we've had good and bad  
The ivy grows thick in our dark backyard  
When I shave in the morning you don't recognize me  
I ask if you're still there and you answer truly

Don't walk away then turn and say "I love you anyway!"  
Don't walk away then turn and say "I love you anyway!"  
You come for a week to love me then you up and leave  
next day  
So don't walk away then turn and say "I love you  
anyway!"

You think you're so bad but you're just badly raised  
You twisted and turned all the love that we made  
I can not hold on and I can not let go  
I was wasted at fifteen, never learned to go slow

Don't walk away then turn and say "I love you anyway!"  
Don't walk away then turn and say "I love you anyway!"  
You come for a week to love me then you up and leave  
next day  
So don't walk away then turn and say "I love you  
anyway!"

You pick the curtains and I'll pick the sheets  
Silver anniversary will be the next time we meet  
I loved you before and I'll love you 'til then  
You're my foe and my brother and lover and friend

Don't stay for the good stuff, there ain't none around  
I'll love you and leave you and drive from this town  
Before I give you this ring there's one thing you should  
know  
You have seven seconds before it's too late to go

So  
Don't walk away then turn and say "I love you anyway!"  
I never, ever wanna see you 'til our wedding day  
Don't walk away then turn and say "I love you anyway!"  
I never, ever wanna see you 'til our wedding day  
Come follow me to love me then you up and leave next  
day

I never, ever want to see you 'til our wedding day

Don't walk away then turn and say "I love you anyway!"

Don't walk away
