Why did you do me
Why did you get done
And all the misery
You were an easy one

We fell into the nighttime
We fell into the roadway
We fell into a bedroom
And then we couldn't get away
We couldn't get away

How did we get here
We took the slow way
Oh do you love me
What am I supposed to say

And every time I touch you
And every time we took it all
It feels like it costs us
And that it's worth it at the cost
Yeah it's worth it at the cost

Tell me how I sleep
Tell me how I wake up
Tell me how I dream
[x2]

I had a secret
Yeah but I knew it lost
And we were children
We danced to hand and glove

And every time we fell
And every time we walked away
And every single silence
Was like a debt we had to pay
It was a debt we had to pay

Tell me how I sleep
Tell me how I wake up
Tell me how I dream

[x3]

Tell me how I sleep
(You can't...)
Tell me how I wake up
(You can't...)
Tell me how I dream
(You can't...)

[x4]

You can f*ck them in a doorway
You can smoke a cigarette
You can lie in soiled sheets,
Covered in your sweat
You can take me,
And you can have me,
But can you make me happy?
