(I will marry soon) You will marry soon, this year  
(I will have a long and happy life with my wife) You will  
live long and be happy with your wife  
(Many children) You will have many children  
one who will be named after  
the loved one you lost as a child

Night train, through pouring rain to home now.  
Can't sleep until I see you.  
We worked from Wednesday last 'til now, love.  
Can't sleep now that I'm with you.

And even as I live I die,  
and even as I fail I try,  
and even as I lose I buy  
your love.

And even as I live I die,  
and even as I fail I try,  
and even as I lose I buy,  
your love.

Grey dawn crept into the room too early.  
I can't sleep for all the light now.  
I woke and left you sleeping quietly.  
Do you sleep to hold and shroud you?

It's past time,  
the end of the line is nearing,  
but close by I spy a clearing.  
And even as I live I die,  
and even as I fail I try,  
and even as I lose I buy  
your love.

And even as I live I die,  
and even as I fail I try,  
and even as I lose I buy,  
your love.

And even as I live I die,  
and even as I fail I try,

and even as I lose I buy  
your love.

And even as I live I die,  
and even as I fail I try,  
and even as I lose I buy,  
your love.

Your love.

And even as I lose I buy  
your love.

Your love.
