Sun still shines on me  
You won't let me be  
People come and go  
still one left to know

I'm free now, but hung up  
Left to dry, not strung out  
If I have one learned thing  
Your mind is not to blame

I'm free now, but hung up  
Left to dry, not strung out  
If I have one learned thing  
Your body is to blame

I can't be untrue  
If face to face with you  
You were loved more than I knew  
Joni speaks the truth

I'm free now, but hung up  
Left to dry, not strung out  
If I have one learned thing  
Your mind is not to blame

I'm free now, but hung up  
Left to dry, not strung out  
If I have one learned thing  
Your body is to blame

Blink and you won't see  
The truth and what will be  
There was always someone else  
Never better than yourself

I'm free now, but hung up  
Left to dry, not strung out  
If I have one learned thing  
Your mind is not to blame

I'm free now, but hung up

Left to dry, not strung out  
If I have one learned thing  
Your body is to blame
